your family are well, and
with kindest remembrance
to you all, I am
very sincerely yours,
Henrietta J. Goodale.

Saco, October 29 92

My dear Dr. Watson,

I enclose these letters, which have just come, thinking that perhaps you will be able to do something about the collection of plants which Mr. Wicks desires. I have written him that I have referred the matter to you. And also that the seeds would be given to the gardener. I presume they have already gone to the
